Computer Science &Engineering

The branch is designed to keep students at pace with the practical field. It is our objective that student should be able to pursue advanced studies in Computer Science on a competitive universal basis. The focus is on holistic learning and empowering students to make significant contributions at all levels through theory classes, laboratory sessions, seminar presentations and project work. The system of electives gives choices for students to develop expertise in their area of interest. The course is intended to cater to the ever changing demands of software industry.

Electrical & Electronics Engineering

This branch was introduced in 2002. In a short period, the department has turned out to be an enviable asset of the college with its dedicated and supportive faculty, good laboratory facilities, hardworking and energetic students. The department aims to equip the students with advanced knowledge in the field of Electrical and Electronics Engineering as well as professional skills necessary to face the challenges of the future.

Electronics & Communication Engineering

While fulfilling the requirements of the syllabus prescribed by the University, the programme goes much further and offers students the opportunity to work on diverse hard ware and software platforms. The curriculum is designed so as to give adequate emphasis on the Analog and Digital processing of information. The core programme is supplemented and further reinforced by a well-chosen set of elective courses.

Polymer Engineering

This branch is unique in the field of Polymer science and technology education in the country. The B.Tech. Polymer Engineering course was started to meet the requirements of rubber and plastic industries. Polymer Engineering is a field that is growing every moment and has greater scope in future. The students are professionally trained in various industries in and out of the state, thereby nourishing themselves with the skill and expertise. Most of the alumni are in key positions in various industries as well as in Government undertakings.

Computer Science & Engineering (Cyber Security)

This is a unique programme, which imparts knowledge about processes and practices designed to protect networks, computers, programs and data from attack, damage or unauthorized access. The programme addresses the underlying need for cyber experts as the country is heading towards an internet explosion mostly fueled by e-commerce, e-banking, e-governance and social media. This course seeks in-depth specialization in the fields of cyber security, cyber threat intelligence and digital forensics. One can gain advanced and in-depth knowledge of penetration testing, cyber forensics, and malware analysis and software vulnerability.

Artificial Intelligence and Data Science

Artificial Intelligence and Data Science is the science and engineering of making intelligent machines, especially intelligent computer programs. It is concerned with getting computers to do tasks that would normally require human intelligence. AI systems are basically software systems (or controllers for robots) that use techniques such as machine learning and deep learning to solve problems in particular domains without hard coding all possibilities in software. Due to this, AI started showing promising solutions for industry and businesses as well as our daily lives.

4. CLAIMS FOR MANDATORY RESERVATION AND CERTIFICATES TO BE PRODUCED

- (i) Claims for Mandatory Reservations must be made by a candidate at the time of submission of application, with supporting documents as required.
- (ii) The claims for mandatory reservation once made in the Application form cannot be altered by the candidate under any circumstances.

4.1.1 Claim for Communal reservation under 'Socially and Educationally Backward Classes' (SEBC): Reservation of seats to the Socially and Educationally backward Classes will be in accordance with the provisions contained in G.O.(P)208/66/Edn. dated 2.5.1966, as amended from time to time. The names of the castes and communities under SEBC are given in Annexure IV.

- (a) Candidates belonging to socially and Educationally Backward Classes as per G.O. (P) 02/2019/BCDD dated 08.03.2019, who belong to the non-creamy layer are eligible for reservation under this category. The non-creamy layer certificate should have been issued not earlier than 12 months prior to the submission of application. Only the claims of the candidates of those communities that are included in the list of communities appended in the Prospectus will be considered.
- (b) Candidates belonging to Ezhava, Muslim, Other backward Hindus, Latin Catholic other than Anglo Indians and Other backward Christian communities, claiming reservation under SEBC Quota should invariably produce both 'Community' and 'Income Certificates' or non-creamy layer certificate obtained from the Village Officer concerned. The digital copy of the above certificates should be uploaded during submission of online application. Candidates who belong to the non-creamy layer are eligible for reservation. The seats unavailed by SEBC category candidates will be allotted under open quota.

4.1.2. Claim for Reservation under Kerala Scheduled Castes/Kerala Scheduled Tribes Quota

- (a) Candidates claiming reservation under Kerala Scheduled Castes/ Kerala Scheduled Tribes Quota should obtain caste/community certificate from the revenue authorities concerned. The names of castes and communities are given in Annexure I&II. The candidates who are reconverted to Hinduism from Christianity of Scheduled caste origin should produce community certificate from Village Officer along with a copy of the gazette notification.
- (b) Claim of OEC candidates against the un-availed seats of SC/ST candidates: Other Eligible Community (OEC candidates) who claim allotment to the un-availed seats, if any, under SC/ST quota should furnish community and income certificates or non-creamy layer certificate obtained from the revenue authorities concerned. The names of castes and communities are given in Annexure III. Those OEC candidates whose annual family income is up to Rs. 8 lakhs alone are eligible for such seats.

OTHER GENERAL RULES FOR MANDATORY RESERVATION:

The seats unavailed by the SC candidates will be diverted to ST candidates and vice versa.

The unavailed seats reserved for SC/ST shall be re-notified through print media. If such seats are remaining vacant even after re-notification, these shall be filled as detailed below: -

- (i) The unfilled vacancies shall be filled¹ from candidates belonging to OEC, and in their absence candidates belonging to SEBC. The seats that further remain unfilled shall go to open quota.
- (ii) The unfilled vacancies shall be filled from the rank list of applicants belonging to the same backward/minority communities. If seats still remain vacant, the same will be filled as per clause
- (iii) 4.2.1 (i). The College authorities should report such vacancies to the University within the stipulated time.

4.3 Reservation for Persons with Disabilities (PD): 5% seats of the sanctioned strength shall be reserved in all affiliated institutions exclusively for candidates with benchmark disability (as per clause 32 (1) of chapter VI, The Rights of Persons with Disabilities Act, 2016). If candidates are not available in a particular category, the seats shall not be filled from any other categories.

‘Person with disability’ means a person suffering from not less than 40% of any disability as certified by a Medical Board constituted for this purpose. Candidates who have a minimum of 40% disability alone will be eligible for this quota. Candidates seeking admission under Differently Abled category should submit the “Certificate of disability”, issued not earlier than 5 years prior to the submission of application, by the District Medical Board or bodies of higher status, certifying the degree of percentage of disability. The Permanent Disability Card issued by the State Government is also considered. The permanent disability card has a lifelong validity when issued to a disabled person - above the age of 18 years. For disabled children below 18 years of age, the card is required to be updated once in every five years. Based on the details furnished in the online application, candidates will be provisionally included under the “Differently Abled” category. Candidates seeking admission under PD category should upload with their application form, an attested copy of the ‘Certificate of disability’ issued by a District Medical Board or bodies of higher status, certifying the degree or percentage of disability.

Only Blind and Orthopedically handicapped candidates are eligible to apply to the PD Quota. The selection of candidates under this category will be based on the rank in the inter-se-merit list
and not on the basis of the degree of disability.

- h. Bonus marks will be added only if the candidate has obtained the prescribed minimum qualifying marks in the qualifying examination while calculating the index marks. Deduction will be made from the total ranking marks for those candidates who had availed more than one chance in passing the qualifying examination as detailed below:

8.1 Handicap mark of 5 will be deducted from the total rank marks for each additional appearance he/she has taken for completing the qualifying examination. Number of chances means the number of chances for passing any part of the qualifying examination excluding cancellation.

Wherever letter grades are given for the qualifying examination, the candidate should produce therelevant document so that the grades can be converted into actual marks. In the case of grades where marks range is given, the mid value will be taken for computation of index marks.

Resolving of Tie: In the case of more than one candidate obtaining equal index marks (including weight age/ if applicable), the candidate who has scored more marks in Part III Main will be placed higher in ranking. If the tie persists the candidate who has scored more marks in Part I common courses/papers English will be placed higher in ranking and if the tie still persists, the marks scored in Part II common course/additional language will be considered. If the tie still persists, the age of the candidates will be taken into account, the older being placed higher in the ranking.

Even after this exercise, if the tie persists, the alphabetical order of the first name of the candidates will be taken into account.

Rounding of marks of 0.5 and above to the highest figure shall not be done while calculating the percentage of marks for minimum eligibility.
